Dear Sir: I have been trying to get our two clubs into Macon by for Easter Sunday April 13th but was just informed a few minutes ago could not get back. Could get to Sanford, but this would not be so good as Homestead Rays and Cuban are playing at Orlando same day and Sanford is a short distance from Orlando. So think it best we play at Daytona Beach. So go ahead and see what you can do at Daytona for this date. I will protect same. Posey is not doing any looking for me, that is just his way. We should make supper at Daytona if well practiced. Wishing you a successful season I remain

Very truly yours
J. B. Reed
